

In today's economy acquiring the most flexible and talented workforce is a critical factor for success. With years of experience providing permanent, contract or temporary employees to Canada's top manufacturers and distributors, we can design a staffing solution to meet your unique needs.

## PEOPLESOURCE ADVANTAGE

### We Know Your Business

Our recruitment specialists are industry experts and are skilled at creating recruitment campaigns that are specific to both industry and local economic conditions.

### Personal Touch

We are an entrepreneurial organization that can offer you the best of both worlds. The reach and scale of a large recruitment firm with the personal touch of a small one.

### Proven Methods

We practice specific processes and methodologies including sophisticated candidate screening and matching techniques that deliver results.
