

Our On-Site Workforce Management program is a cost-effective approach to managing your contingent workforce. Every Peoplesource On-Site Manager is a skilled HR Professional working from your facility focused on the management of your contingent staff and affiliate vendors.

PEOPLESOURCE ADVANTAGE

We Know Your Business

Workforce Management is our business. We have well developed systems that streamline time card management, retention, payroll, productivity and more.

Personal Touch

We are an entrepreneurial organization that can offer you the best of both worlds. The reach and scale of a large recruitment firm with the personal touch of a small one.

Proven Methods

We practice specific processes and methodologies including sophisticated candidate screening and matching techniques that deliver results.

FOCUS
